Letter from the CEO

Like the children on our cover, we at Liberty Mutual have a lot to cheer. This year's community report highlights the nonprofit agencies in which Liberty Mutual proudly invests. We applaud their steadfast service during days of increased need and decreased resources. We support them with pride.

Liberty Mutual grew its philanthropy program in 2009. We welcomed the Safeco Insurance Foundation, deepening our reach in the Northwest. We broadened our education initiative because we believe these grantees are changing the life trajectories of children from low-income backgrounds. And we expanded our homelessness initiative because we believe in caring for the basic and fundamental needs of our most fragile and vulnerable neighbors.

What makes me most proud, however, is how Liberty employees responded to this year's *Give with Liberty* Campaign—raising a record \$7.6 million, surpassing a very ambitious goal of \$6.4 million. Despite precarious economic times, our employees never lost sight of the potential and importance of their giving. Infused with an ethic of giving, Liberty employees—much like our grantees—brought hope amidst the struggles. Liberty stood proudly behind those gifts, with a match of 50 cents on the dollar with no match limit.

We have no illusions. Last year was very tough for many people. So, we gave more. We gave better. And we watched our employees do the same. Fortunately, for the many individuals in need of help, there are gifted people behind the agencies highlighted in the following pages. We hope you enjoy reading about their work. We are sure you will agree; they deserve our cheers.

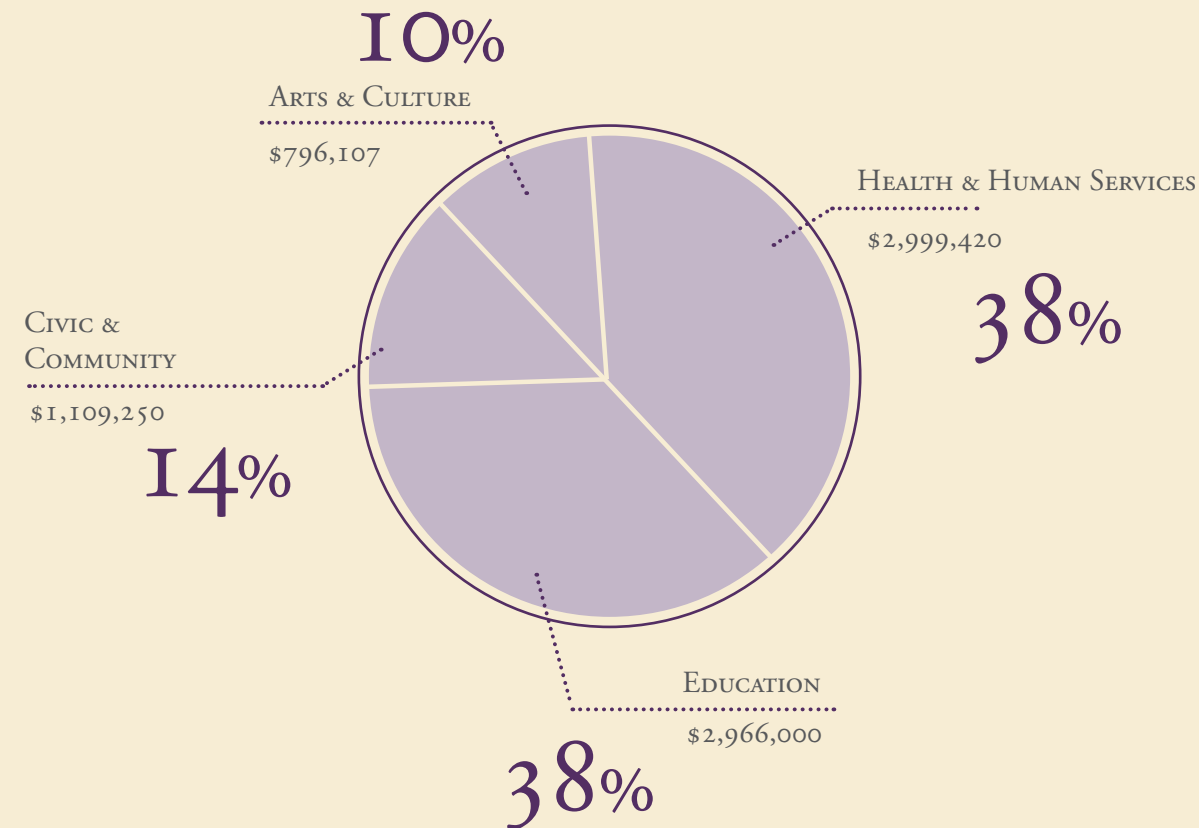

Sincerely,

Edmund F. Kelly
Chairman, President & CEO

Education

Liberty Mutual is proud to invest in these remarkable organizations committed to nurturing the academic potential of children.

We begin with our Education Initiative, a \$1.6 million investment to an array of programs that broaden educational opportunities for low-income and limited-English-proficient students at all grade levels and create a path to further education, including college and vocational training.

Education Initiative

826 SEATTLE

SAFECO INSURANCE FOUNDATION
\$10,000

To offer an after-school tutoring program that serves primarily low-income children at risk of academic failure. The program partners volunteers and students in a creative atmosphere that inspires all to work and learn together.

89% of all participants will report improvements in writing skills.

ACCESS

\$25,000

To help students plan for college costs, navigate the financial aid process and overcome the financial barriers to higher education through a one-on-one high school advising program.

2,800 Boston high school seniors will receive training and assistance in applying for college financial aid.

ADELANTE

\$25,000

To offer test preparation and academic enrichment programs to seventh- and eighth-grade students seeking to enroll in tuition-based schools and to award four-year scholarships to high school students who perform community service in return.

30 middle school students will enroll in the School Success prep program. 27 will earn High School Placement Test scores worthy of acceptance to a rigorous tuition-based high school.

ALLEN RENAISSANCE

SAFECO INSURANCE FOUNDATION
\$25,000

To further learning opportunities for youth through the creation of robots that solve real-world problems. Through hands-on science, technology, engineering and math projects, students re-engage with the educational process and discover their own potential.

100% of youth will become proficient in the construction of robotics; 85% will show an average of one letter-grade improvement in math classes.

AMERICAN RED CROSS OF MASSACHUSETTS BAY

\$25,000

To prepare disadvantaged high school students for careers as Certified Nursing Assistants and home health aides through the Healthcare Job Training and Certification Program for the Boston Public Schools.

25 students from the Boston Public Schools will receive high-quality health care training. 90% of participants will successfully pass the state CNA certification exam. 23 students will continue on to higher education.

ASIAN AMERICAN CIVIC ASSOCIATION

\$20,000

To support Asian immigrant youth as they make strides in school through English, math and MCAS instruction; college preparation; and counseling.

100% of participants will improve by at least one level on the Student Performance Level (SPL) test; 85% of participants will receive a passing ("needs improvement" and above) score on the MCAS test.

BELLESINI ACADEMY

\$15,000

To provide support services to alumni throughout high school and college to ensure that every Bellesini graduate will go on to earn a four-year college degree.

47 Bellesini alumni will receive ongoing counseling, tutoring and financial assistance in order to succeed in high school and college. 91% of alumni will go on to attend college or a professional program.

BIG BROTHERS BIG SISTERS OF PUGET SOUND

SAFECO INSURANCE FOUNDATION
\$25,000

To increase reading and literacy through the Read 2 Me program, which serves kindergarten through third grade.

I give because others helped me.

Give with Liberty

Unlike any employee-giving program of its kind, *Give with Liberty* makes it easy for employees to support the basic needs of individuals in our community. Whether our gifts are providing food for the hungry, shelter for the homeless, comfort for the ill or opportunities for the disabled, we take pride in the many ways we make a difference.

In 2009, nearly 17,000 employees pledged \$7.6 million to 5,472 health and human services agencies. Liberty Mutual matches .50 cents on every dollar donated.

"In my tenure at Liberty Mutual, employees have given me ample opportunities to feel proud. However, few actions make me prouder than our employees' responses to people in need. In just three years, Liberty and its employees have increased giving through this campaign by 117 percent. Ultimately, few actions speak more to the caliber of a community than how we care for those less fortunate."

International Giving

GIVING THAT GOES BEYOND BORDERS

Although we're headquartered in the United States, Liberty Mutual's global footprint spans 26 countries. Throughout the world, we work with local communities to improve health and safety and enhance educational opportunities. Here are just a few examples:

In **Spain**, Liberty Seguros works in collaboration with AESLEME (Association for the Study of Spinal Cord Injury) to prevent accidents that cause irreversible brain and spinal cord injuries. Further, they have launched Plan Familia (Family Plan), aimed at promoting the social and workplace integration of family members with disabilities.

In **Poland**, Liberty Direct won the Golden World Award for promoting the use of baby car seats in taxis. The goal of the program is to educate parents, who are aware of the importance of using safe seats for their children while in a private vehicle, to also use them when traveling by taxi.

Liberty **Vietnam** employees supported the construction of a kindergarten in the Mekong Delta and a floating community center on the Tonle Sap Lake in Cambodia.

In 2009, *Fundación Seguros Caracas* donated almost \$700,000 to organizations addressing two of the most serious threats to public health in Venezuela: diabetes and traffic accidents. *Fundación Seguros Caracas* partnered with *Fundadiabetes* to provide much needed medical services to low-income individuals suffering from diabetes. Further, they laid the groundwork for a new diabetes clinic in the Petare neighborhood of Caracas.

In **Colombia**, Liberty Colombia is working with Partners of the Americas to support *A Ganar*, an innovative program that uses soccer and other team sports to help youth find jobs, learn entrepreneurial skills, or re-enter the formal education system.

In **Australia**, Liberty International Underwriters worked with the Australian Red Cross to provide relief to the victims of the Victoria Bush Fires. The company also provided support to a number of local and national non-profit groups including Lifeline Australia, Open Family and the Thredbo Ski Patrol Association.

Liberty Mutual has sponsored television's longest-running, most-watched history series, "American Experience," since 1997.

Liberty Mutual sponsors From the Top, a nonprofit organization that encourages and celebrates the commitment of young people to music and the arts through nationally broadcast television and radio shows, education programs, and its website.

Liberty Mutual is proud to be the official sponsor of Boston's Fourth of July on the Esplanade, America's premier Independence Day celebration.

Liberty Mutual sponsors "On Point," WBUR's live morning news program, which covers each day's important news developments and conducts conversations with newsmakers and thinkers from around the world.

Liberty Mutual Responsible Scholars™ awards scholarships to undergraduate students who demonstrate excellent academic achievement and what it means to be responsible in their communities.

The Responsible Sports™ program is a community outreach initiative that helps kids experience the best that sports can offer. The Responsible Coaching Awards recognize and celebrate youth sports coaches, and the Responsible Sports Community Grants support teams and organizations that participate in Liberty Mutual's Responsible Coaching and Parenting Program.

Liberty Mutual and SADD (Students Against Destructive Decisions) have enjoyed a partnership since the early 1990s, reaching more than 1 million teens and their parents with safety initiatives and advice on avoiding risky behaviors.

Liberty Mutual proudly presents "Where's the Fire?"—the nation's largest interactive fire safety education experience—at INNOVENTIONS at Epcot® at the Walt Disney World® Resort in Florida.
